

19th UV Europe
Conference & Exhibition
15-16 June 2011

Hotel Husa President Park, Brussels, Belgium

Call for papers

Held alongside the 2-day exhibition will be a range of conference seminars, and we are now accepting submissions for papers.

From feedback received after UV Europe 2010, we are expanding the land and marine streams; so papers covering UGV's or UUV's will be particularly welcomed.

Please note: Industry papers from exhibitors and sponsors will be given priority over other industry papers submitted.

If you would like to submit a paper for consideration, please email Hamish Betteridge on hab@shephard.co.uk

Deadlines for submission: 4 March 2011

Please note: Presentations must be a maximum of 20 minutes

I am interested in submitting a paper.
